(please include supporting documentation — newspaper clippings, photos etc)

Signature of nominee _____

This nomination is made by _____

Address _____

Phone _____ Fax _____

Email _____

Date _____

Nominations are considered at least every two years by an induction panel convened for that purpose. While there are no set criteria, nominees to be inducted must have performed in sport to an outstanding degree, usually at international level. Successful nominees are expected to provide the Hall with as much biographical and sporting background as possible, including the loan of material that may be required for display. Photocopies of newspaper clippings, certificates etc are acceptable for research purposes, but not for display.
